

CRAWLEY PARISH COUNCIL 2021-22 ACCOUNTS

EXPLANATION OF VARIANCES ON ACCOUNTING STATEMENTS

Line 2 – our precept was increased because our spending needs were higher in 2021-22 than the previous year.

Line 3 – our other receipts increased because we received a £500 grant from Oxfordshire County Council to assist with the cost of maintaining the defibrillator, which is located at the Lamb Inn. We expect to spend this money over a number of years.
